

Snowflakes & Sunshine

Welcome Back!

Hope you have had a wonderful break and a wonderful Christmas!

Week One This week we are slowly easing ourselves back to school and discussing what we did during the holidays and introducing our topic. The children will write about their favourite parts of holiday (mine was having breakfast in my pj's!). We will be making some wonderful winter scene pictures and beginning our topic about 'Snowflakes & Sunshine'. We will read our lovely story about Percy the Park-Keeper.

Week Two/Three : These 2 weeks we will be learning about Cold countries. We will investigate how people travel, what they wear and what different jobs they do in cold places around the World. We will look at how we see when it is dark and look at different places to live in cold countries. We will read our story about the Bear Hunt and act out all of the different weather they travel through.

Week Four & Five : We will be learning about Hot countries. We will look at how temperatures are different around the World. We will investigate what is comfortable to wear when it is hot and how it is different to the Cold countries. We will look at what we need in the sunshine and how to keep safe. We will read our story about Handa and who she meets on her travels.

Week Six: Whole School China Week information TBA

We're looking forward to working with your children and can't wait to get started!

Any queries don't hesitate to ask

Thanks

Mrs Nicola Pickering
