17th March 2017

Dear Parents / Guardians,

PRIMARY DANCE FESTIVAL

A big well done to our Y2 children who took part in the Primary Dance Festival at the Winding Wheel yesterday afternoon. They were AMAZING; dancing to a blend of 80's music! Well done also to Mrs Townroe for all her hard work with the choreography and of course to Mrs Dennis too.

COMIC RELIEF RED NOSE DAY Friday 24th March 2017

Red Nose Day is next Friday. We will be joining in the fun of **RED NOSE DAY** supporting **COMIC RELIEF**. We will be dressing in **RED clothes** and children can dress up as one of the themed **RED NOSES** - see below. There will be a prize for the best dressed nose in each class. (Please no red face paint). Visit www.rednoseday.com for more information. We also have **RED NOSES** for sale in the school office - £1.00 each; they are also available from Sainsbury's.

RECEPTION LIBRARY VISIT

A reminder that Reception children are walking to Brimington Library on Monday morning. Please ensure your child has a waterproof coat and wears sensible shoes.

EDUCATIONAL VISITS

We are arranging our Summer Educational Visits. These visits link in with the curriculum in school, enhancing the children's topic work as well as being an exciting experience to share with their friends. This year planned visits are: Reception & Nursery - Canon Hall Farm, Year 1 - Sherwood Pines & Year 2 - Yorkshire Wildlife Park.

However I have been calculating the cost of these visits and am concerned at the increase in transport costs. The costs of class visits this Summer will be £17.00 per child. This amount includes entrance and workshop costs, transport costs and travel insurance. Will you please complete the slip below stating if you are prepared to pay £17.00. School can no longer subsidise trips as our budget is very tight. Unfortunately if not enough parents are prepared to pay then the summer visits will not take place this year.

Yours sincerely

Mrs Kathryn Fretwell Headteacher
