2nd February 2017

Dear Parents / Guardians,

At the Governor's Meeting last night I informed the governors of my intention to retire as Headteacher of our school as from the end of this academic year. I've had a wonderful career in teaching and have thoroughly enjoyed being Headteacher of Brimington Manor Infant and Nursery School for the past 9 years.

I've been most fortunate to work with a fantastic staff team and supportive, committed governors.

Brimington Manor Infants has super children and families; with parents that want the best for their children and work in partnership with school to ensure their children are happy and achieve their very best academically. A big thank you for your support, I've really appreciated it.

The Governing Body are now starting the process of appointing a new leader of the school. I will assist them in whatever way they wish to ensure that our school continues to be the super place it is to be at, to learn and work.

I will of course keep you informed of what is happening in the process.

Yours sincerely

Mrs Kathryn Fretwell

Headteacher
