3rd July 2017

Dear Parents / Guardians,

TRANSITION DAY 'MOVE UP DAY' Tuesday 4th July 2017

A reminder tomorrow is 'Move Up Day' when children visit their new school or class - Brimington Junior School, Calow Primary School, Hollingwood Primary School or Poolsbrook Primary School for our Y2 children. Y2 children need to go direct to Brimington Juniors for 8.50am and need to be collected at **3.15pm**. For children going to other schools please check with them start and finish times.

A reminder to Y2 parents there is a meeting at Brimington Junior School tonight at 6pm for parents. The Junior staff will be introduced and the routines etc will be discussed. There will also be an opportunity to have a look around the school.

Y1 children will spend the day with Miss Alderson and Mrs Snidall in Year 2. Children need to go directly to the Y2 terrapin classroom and can be collected at the end of school from the Y2 ramp.

Reception children will spend the day with Mrs Griffin, Mrs Pickering (pm) & Mrs Bowley in **Year 1**. Children need to enter school through the main door and need to be collected from the Y1 side door at the end of the school day. (Y1 staffing in September is Mrs Griffin - Monday, Tuesday alternate Wednesdays; Mrs Pickering - alternate Wednesdays, Thursday and Friday).

Nursery children who will be in **Reception** in September need to come to school at 8.40am and enter through the EYFS **back** door. These children need to be collected at 1.10pm after the children have had their school lunch from the EYFS playground. I will open the side gate so you can get round.

September Morning Nursery children need to enter through the EYFS **back** door at 8.40am and be collected from the EYFS side door at 11.40am.

September Afternoon Nursery children need to enter through EYFS side door at 12.05pm and be collected from the side door at 3.05pm.

I'm sure the children will have a lovely day in their new classes or at their new schools.
Yours sincerely

Mrs Kathryn Fretwell Headteacher
