5th June 2017

Dear Parents / Guardians,

We hope you had a pleasant half term holiday and enjoyed the sunshine when it came!

Safety Week

It's Safety Week this week with the children involved in lots of activities as set out in my letter just before half term (see overleaf too). Please talk to children about how they can keep safe - near water, roads, with fire and of course online. A big thank you to all the outside agencies that are coming into school during this week; their input is much appreciated.

School Uniform

We would appreciate school uniform orders ready for September as soon as possible. Mrs Grinbergs would like to place the order by the end of the next week. Please return the slip sent home before the holiday. We would like payment with your order. Thank you.

Topic / Homework Plans

Your child's topic and homework plans for this half term will be sent home shortly. We hope these help you keep informed about what is happening in school and also gives ideas as to how you can help your child at home.

Sainsbury's Vouchers

Thank you for your vouchers, the scheme has now ended so could you please send in any vouchers as soon as possible so that we can order our equipment and resources. Thank you.

Baking / Craft money

We would welcome a voluntary contribution of £3.00 towards baking & craft activities in school. We really do appreciate this. Please return the slip and money below. Thank you.
