16th May 2017

Dear Parents / Guardians of Year 2 children,

**Visit to Yorkshire Wildlife Park
Thursday 18th May 2017**

A reminder, it is our Y2 visit to the Yorkshire Wildlife Park on Thursday this week.

The children will need a **waterproof coat, long trousers/ jeans or shorts, their school sweatshirt/cardigan and sensible footwear (trainers are ideal).**

Hopefully the weather will be kind to us - the forecast is cloudy with sunny intervals and possible showers!

The children will need a packed lunch (ideally in a backpack), no glass bottles please.

The children require no spending money.

I'm sure the children and staff will have a fun-packed, enjoyable day and will learn a lot about the wildlife they will see.

A **BIG** thank you for your contributions towards the cost of this educational visit. It is much appreciated.

If you have any queries, please see your child's class teacher or call in the school office.

Yours sincerely

Mrs Kathryn Fretwell Headteacher
