1st December 2016

Dear Parents / Guardians,

As from today we are now an academy school linked to the 'Learners' Trust' Multi-Academy chain.

The governing body made the decision for Brimington Manor Infant & Nursery School to join the Learners' Trust after consultations with staff, parents, the local community and trade unions.

As from 1st December 2016 we will be working as part of the 'Learners Trust'. We will now have the opportunity and flexibilities of academy status to share our best practice and work with others to bring about further improvements to our school and schools in the local area. We look forward to working closely with the other schools in the Multi Academy Trust to provide the best quality education for your child.

Brimington Junior School will also be an academy from today with the Learners' Trust.

As stated in our consultation, I can confirm that there will be no changes to the school name or uniform.

If you have any queries or concerns please come along to the school office, I'll be happy to chat.

Yours sincerely

Mrs Kathryn Fretwell
Headteacher
